

Jetty to Mt Kootaloo

Approximately 5.6 kilometres/2 hours return

As the highest point on the island (271 metres) this walk will reward you with panoramic views over some of the other members of the family group of islands.

Jetty to Muggy Muggy Beach

Approximately 2 kilometres/30 minutes return

Aboriginal for "coral mushrooms where crayfish lurk. Muggy Muggy Beach is the perfect short rainforest walk and a great place to enjoy a picnic lunch on the beach. It boasts 360 million-year-old rocks, which are moulded into vertically folds. The track runs parallel to the water and is rich in a variety of vegetation.

Island Circuit Track

Approximately 9.2 kilometres / 3 hours round trip

Starting from Muggy Muggy to Mt Kootaloo, you'll pass through the magical Palm Valley and then onto Coconut Beach. Not for the faint hearted, this challenging walk will introduce you to Dunk Island's lush green rainforest where you are likely to encounter the many different species of birdlife.
